

# TIRED OF WASHING YOUR HARD-EARNED MONEY DOWN THE DRAIN?

During these tough economic times, when clients extend time between salon visits and revenue is down, wouldn't you like to reduce one of your highest costs of doing business?

*The Sprush® is a revolutionary color and relaxer tool that will outlast your bristle brushes and save as much as 1/2\* your color!*

“The Sprush® is 10 x's better than a bristle brush!”  
~ Kelley Newton, Oklahoma City, OK

“Since we purchased your Sprushes® at IBS, we have cut our color and developer formulations in half! The Sprush® is the best new product to come out in a very long time!” ~ Leslie Brewer, Winston Salem, NC

\*Users of the Sprush® report on average a 1/3 to 1/2 color savings resulting from less overlap, precise application, and no color waste.

What are you waiting for? Join the many thousands of hair colorists and relaxer technicians worldwide who have learned it pays to *Sprush®... don't brush!*
